Ladies and Gentlemen:

I know that this letter maybe somewhat premature however, planning and coordinating past events has taught me that one can never be too early to plan. As such, the next two Rootes Rendezvous will require a great deal of support given the nature and location of these events. The past Rendezvous have been successful mainly due in part of the attendees. These two events will rely heavily on such support.

Our Island dwellers: Richard Cox, Frank Leigh, Tim Webster and Robert Richter have agreed to help coordinate the 2008 event. I thank them for their assistance.

"ROOTES RENDEZVOUS VI"
50th ANNIVERSARY - Sunbeam Alpine Series
 1959-2009
110th ANNIVERSARY - Sunbeam
 1899-2009
5-9 August 2009
Vancouver - Whistler - Merritt - Osoyoos
"Sea to Sky Tour"

The 2009 event will be the largest yet. For two important reasons: the 50th anniversary of the Alpine Series and 110th anniversary of Sunbeam. Furthermore, at the end of this event, I will be driving my new Targa prepped Alpine to the Newfoundland rally race as part of commemorating these two milestones. I urge you to contact me if you are able to help in the coordinating efforts. Mark these dates on your calendars.
